

MAC Museum Art & Cars

A place that combines art, architecture and classic cars

Selected classic cars in the context of art, sensational light art in spectacular architecture, artificial and artistic staging in a natural landscape directly on the Hohentwiel - these contrasts do not repel each other in the [MAC Museum Art & Cars](#), but attract each other. Supported by the Südwestdeutsche Kunststiftung (Southwest German Art Foundation) and the Gabriela und Hermann Maier-Stiftung (Gabriela and Hermann Maier Foundation), the museum ensemble with MAC 1 and MAC 2 forms a very special highlight with a unique atmosphere. After a guided tour, you can linger over a coffee and homemade cake in the museum café.
