

Workshop session on the boat

Creativity on the water: exclusive workshops and after-work tours with Sea Ray 200 PS!

Experience creative ideas and absolute privacy! Discover the perfect, extraordinary location for your small group workshops - on the water! In an idyllic bay, creative ideas unfold as if by magic. Enjoy complete privacy and discuss new strategies in a unique setting. After an intensive meeting, you have the opportunity to clear your head on an after-work tour with the Sea Ray and its powerful 200 hp engine. Experience a refreshing breeze and let your thoughts run free.
