

Tea Tasting

Whether cold or hot, tea is always a pleasure.

Our partner for this sensual program has developed special tea compositions out of enthusiasm and attachment to the medicinal plants she grows herself. We would like to pass on these healing and beneficial effects to our guests. During a tea tasting you can relax after a day full of input and get to know different kinds of tea, their effect and meaning. The beauty of this program is that it is offered all year round. Because all types of tea can also be enjoyed as cold with fresh lemon and fresh flowers.
