

Mountain E-Bike Tour

Strong drives, great impressions for the whole team!

The E-MTB tour for beginners offers a great insight into the world of bikes with electric drives! The tour takes you along the most beautiful paths around Radolfzell over hills, through forests and meadows - with the support of the powerful Bosch Performance XC drives, the active can be wonderfully combined with the pleasant and enjoyable. With the right tips from our experienced guides, you will immediately know how to use your bike safely and make perfect use of the drive support. So it's effortless up to the Bodanrück or the Schienerberg, depending on the situation, the tour can be adapted to the demands and the feel-good factor of the participants. And those who want to experience the first trail sections are gladly shown how to get started. Wonderful panoramic views, places to stop for refreshments and a great, active nature experience paired with great riding fun!
